Subject: Qs on Lots 9 and 10

Hi Noel,

Some questions for Lots 9 and 10:

- Will there be construction staging off-site? If so, where?
- The applicant is required to designate a “disturbance coordinator” who is responsible for responding to any local complaints regarding construction noise. The coordinator (who may be employed by the applicant) shall determine the cause of the complaint and shall require the implementation of reasonable measures to correct the problem. Will this still be Ralph Osterling? If not, the sign at the site will need to be changed.

Thanks!
