Are you a foster youth, 14-21 years old? Join a mini-retreat to envision the life you want and the life skills you need to get there. We will be doing art and other creative activities to get our ideas flowing. This is your chance to call the shots! Our discussions will help shape San Mateo County youth programming for next year. Members of the San Mateo County Foster Youth Advisory Board will co-facilitate these sessions. Each youth who attend will receive \$25.
