### ACTION MINUTES

*Adopted on February 14, 2022*  
Monday January 10, 2022

On March 17, 2020, the Governor issued Executive Order N-29-20 suspending certain provisions of the Ralph M. Brown Act in order to allow for local legislative bodies to conduct their meetings telephonically or by other electronic means. Pursuant to the Shelter-in-Place Order issued by the San Mateo County Health Officer on March 16, 2020 and March 31, 2020, the statewide Shelter-in-Place Order issued by the Governor in Executive Order N-33-20 on March 19, 2020, and the CDC's social distancing guidelines which discourage large public gatherings, public hearings will not be held in person until the Shelter-in-Place Order is lifted. Instead, members of the public may provide written comments by email to the San Mateo County Planning Liaison Summer Burlison at [SBurlison@smcgov.org](mailto:SBurlison@smcgov.org). To be read into the record and discussed at the meeting, comments must be submitted via email no less than 30 minutes before the scheduled meeting. Comments received after that time will be held for the next scheduled meeting.

- Bill Cook, Committee Member, requested an update on the process to fill vacant committee positions. County staff shared that interviews are underway, positions will be offered next, and recommendations are anticipated to go before the Board of Supervisors on their January 25 meeting. The county is aiming to have the positions filled by the February 2022 meeting.
- Koren Widdel, San Mateo County Agricultural Commissioner, shared that the Department of Agriculture has limited Covid-19 Rapid Tests available for farmworkers and that the Department is currently issuing Operators ID remotely.
- Lauren Silberman, Committee Secretary, asked to agendaize the Agritourism Subcommittee Meeting Notes from February-March 2021 at the next meeting and inquired about unharvested Brussel sprouts left in the local fields after the recent storms. Other committee members shared that the recent storms affected the harvests across because the heavy rains broke down the Brussel sprouts, prevented heavy machinery from getting into the fields, and many farms lost a lot of their Brussel sprout harvest this year.
- Summer Burlison, San Mateo County Planning Staff, shared about upcoming new member training in February and new AAC binders for members. The committee discussed past AAC member training, a desire for more member training for new and current members, potential training topics, and planning for desired training through a combination of regular and perhaps special meetings. Committee Member Natalie Sare asked to agendaize planning for AAC member training at the next meeting.

6. **Committee Discussion and Update** on the current COVID-19 pandemic, potential policies needed to protect local agricultural and water from contamination, how the pandemic may affect local food supply, and access to farm labor and resources available to producers and farm workers.

11. **Community Development Director's Report**

No action required. The Committee reviewed the items on the report, the process for filling the committee vacancies, the process for assigning addresses to properties, the need for address/road markers for safety and rescue vehicles across the south coast. Committee Member Bill Cook shared that all coastside addresses relate to milage on the road. Starting at the Santa Cruz County line and moving north, all addresses on Hwy 1 are based on mileage from the county line. For all roads heading inland from Hwy 1, addresses are equivalent to milage from Hwy 1.

Member of the public Kerry Burke asked about the county policy of not assigning addresses to vacant properties. County staff shared that this practice is tied to setting up PG&E service/hookups, which requires an address due to previous violations case in the past.

Member of the public Dante Silvestri shared that address/road markers are a safety issue, and that Cal-Trans was starting to replace them on the south coast.

12. **Adjournment**

Meeting was adjourned at 8:32 p.m. by Committee Vice Chair/Acting Chair John Vars.
