

## **SAN MATEO COUNTY CONTINUUM OF CARE**

### **2022 SPECIAL CoC NOFO QUESTIONS AND ANSWERS**

#### **A. Questions as of August 15, 2022**

- **Will HUD only be selecting 10 CoCs per State?**
  - Yes, which makes California the most competitive state in the country. San Mateo County CoC believes that we are unlikely to get funded via the Special NOFO due to only 10 CoCs being awarded per state, in addition to HUD giving points based on the number of unsheltered homeless. However, San Mateo County CoC does intend to apply for this funding opportunity and will submit as competitive an application as possible.
