Share Your Thoughts on Three Mural Proposals for the North Fair Oaks Neighborhood

North Fair Oaks — Three artists will each present their unique ideas for murals in the North Fair Oaks neighborhood at a public meeting on Tuesday, Feb. 7, 2023.

You can view presentations by the artists in person at the [North Fair Oaks Library](#) or via [Zoom](#) from 6 to 8 p.m.

The winning proposal will ultimately adorn a series of panels along Fifth Avenue as the street dips beneath the Caltrain tracks between El Camino Real and Middlefield Road.

“Last year we asked the community a series of questions about what they would like to see in this very visible location, focusing on what a health community looks like” said Robin Rodricks, executive director of the County’s Office of Arts and Culture.

“These three proposals were selected as finalists from a pool of 15 proposals that were all wonderful and interesting,” Rodricks said. “It was tough to come up with three finalists.”

At the community meeting, the finalists will provide insight into their ideas. They artists are:

- Morgan Bricca
- Emily Fromm
- Elizabeth Gomez

Following the presentations, you will have the opportunity to provide feedback.
