Southeast San Mateo County Community Based Transportation Plan

# *April 27, 2023*

- 1. CBTP Background**
- 2. Southeast San Mateo County CBTP**
- 3. Regional CBTP Priorities**
- 4. San Mateo County Recommendations**
- 5. Evaluation and Monitoring**

# CBTP Background

# CBTP Background

- » MTC funded, C/CAG-led
- » Improve mobility for disproportionately impacted census tracts: “Equity Priority Communities”
- » Tied to 2018 Lifeline Transportation Program funds
  - Adhere to inclusive planning process
  - Improve a range of transportation choices
  - Address gaps identified through diverse outreach

# CBTP Background

## » MTC Guidelines for Adoption

- Convene Advisory Committee composed of agency, social service, CBO and/or non-profit leadership
- Create Community Engagement Plan with best practices for outreach to disadvantaged populations
- Coordinate with CBOs and non-profits
- Establish an Evaluation & Monitoring Plan
- Identify funding sources for “High Priority” projects

# Southeast San Mateo County CBTP

# CBTP Study Area Update

2004: Single East Palo Alto COC

2023: EPCs span four jurisdictions

# San Mateo County CBTPs: Regional Priorities

## » MTC

- Achievable/measurable recommendations
- Support of jurisdictions

## » C/CAG

- Local assistance and monitoring
- Consistency with regional policy/studies
- Equity, access, micromobility

## » SamTrans

- Coordination with Reimagine SamTrans

# Bilingual Outreach Campaign

- » Covid Outreach Plan Approval
- » Surveys
- » Pop-Up events
- » Outreach Insights:
  - NFO Community Council
  - Redwood City TAC
  - Menlo Park CSC

## AYUDA A MEJORAR LAS OPCIONES DE TRANSPORTE EN SUR ESTE SAN MATEO COUNTY

**PARTICIPE EN EL PLAN CONDADO SOUTHEAST SAN MATEO PLAN DE TRANSPORTE BASADO EN LA COMUNIDAD**

### El CBTP hará:

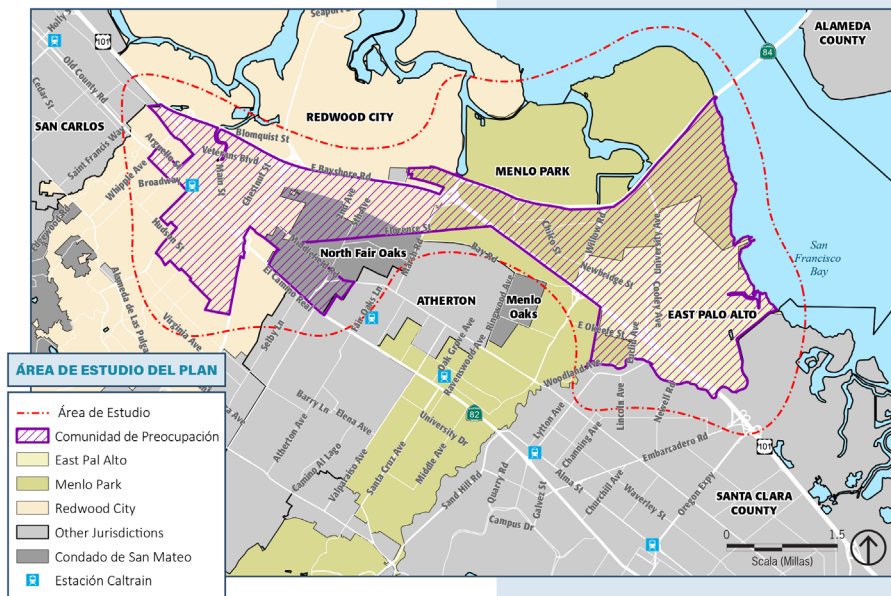

- Evaluar las brechas de transporte y las barreras identificadas por la comunidad
- Desarrollar soluciones y proyectos para solucionar estos desafíos
- Identificar posibles fuentes de financiación para pagar esas soluciones y proyectos

### CÓMO PARTICIPAR

#### Eventos de Comentarios Para la Comunidad:

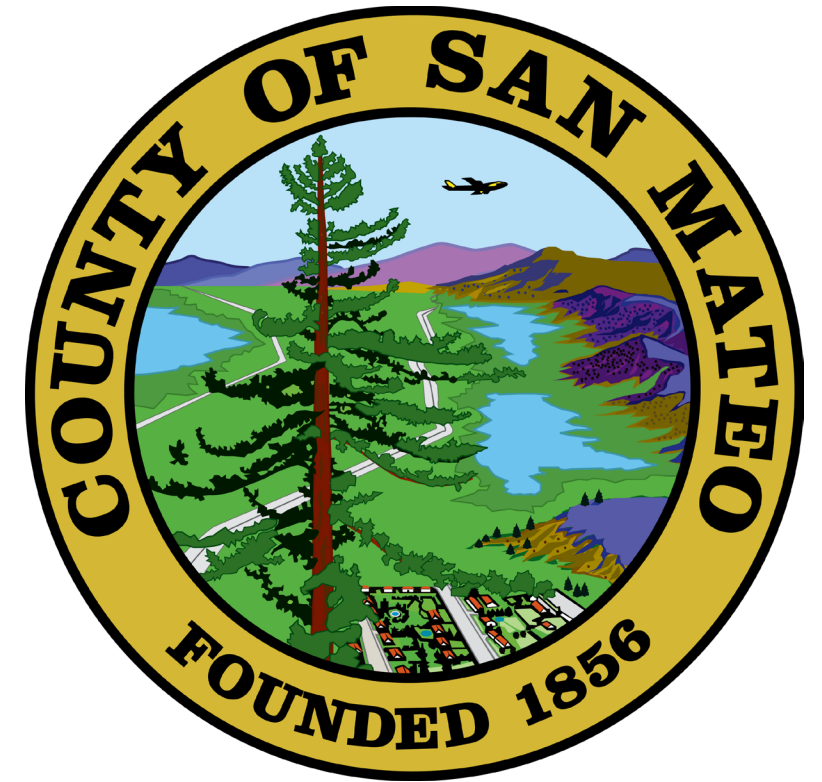

Vamos a organizar una serie de proyectos "Pop-Ups" en eventos comunitarios a lo largo de Daly City. Por favor, pasa a uno de los eventos y cuéтанos sobre tus desafíos e ideas de transporte.

# County Participation and Oversight

- » **Ongoing:** Advisory Group Membership
  - Chanda Singh, Senior Transportation Planner
  - Joel Slavit, Acting Program Manager—Active Transportation
  - Will Gibson, Planner III, Planning & Building
  - Julia Malmo-Layock, Active Transportation Planner
  - Joe LaClair, Planning Services Manager
- » **February 25, 2021:** North Fair Oaks Community Council
- » **July 2022:** Review recommendations and rankings
- » **November 2022:** Review Administrative Draft
- » **April 27, 2023:** North Fair Oaks Community Council
- » **June 13, 2023:** Board of Supervisors

# *Pedestrian Recommendations*

1. Perform safety audits and install intersection safety improvements at:
  - Marsh Rd. and Bay Rd.
  - Marsh Rd. and Middlefield Rd.
2. Install a High-Intensity Activated Crosswalk (“HAWK”) and median improvements at intersection of SR 82 and Selby Lane.

# *Bike and Micromobility Recommendations*

1. Implement the NFO bicycle boulevards network in the area between Middlefield Rd., 5th Ave., El Camino Real and the unincorporated County/Redwood City limits.
2. Install a Class I bike path on Seaport Blvd. from Broadway to East Bayshore.
3. Install a grade-separated bike/ped crossing of Caltrain tracks in NFO between 5th Ave and Redwood City limits (*SMC Active Transportation Plan*).
4. Install a Class IV bikeway on the segment of SR 82 that forms the border of NFO (*SMC Active Transportation Plan*).

# *Bike and Micromobility Recommendations*

5. Fill missing bikeways gap on Middlefield Rd. between 5th Ave. and Town of Atherton with a Class II bikeway (*SMC Active Transportation Plan*).
6. Study bicycle/pedestrian network conditions within ½ mile of Caltrain stations and major transit stops. Include recommendations for network improvements, infrastructure projects and micromobility programs.
7. Improve access to electronic bikes via equity programs for both shared e-bikes and individually owned e-bikes.
8. Install Class IV bikeways on Bay Rd. and Marsh Rd. in North Fair Oaks (*SMC Active Transportation Plan*).

# *Transit and Paratransit Recommendations*

- 1. MTC:** Broaden awareness campaign of Clipper START program via multi-lingual info at transit stops, stations and high-activity destinations in EPCs.
- 2. SamTrans:** Implement a 2022 San Mateo County Paratransit Rider's Guide "How-to Tour" of senior centers, medical facilities and social service organizations.
- 3. SamTrans:** Audit ground and curb conditions at bus stops and paratransit boarding areas at the Fair Oaks Health Center.

# *Transit and Paratransit Recommendations*

- 4. Multi-jurisdictional:** Develop implementation strategies for equity mobility programs that encourage mode shift, such as the *101 Express Lanes Community Benefits Program*.
- 5. SamTrans:** Program an east-west running bus route along 5th Ave. through NFO to provide better connections from Middlefield Rd to Routes 296 and ECR.

# Safety Recommendations

1. Complete an assessment of pedestrian safety in North Fair Oaks, including audits and recommendations for:
  - Areas of dumping and/or blight
  - Lighting “deserts”
  - Poor sidewalk conditions
2. Increase safety for students of Menlo-Atherton High School who live in East Palo Alto and Belle Haven, via improved bike/ped infrastructure on Coleman Ave. and Ringwood Ave. in unincorporated Menlo Oaks and Menlo Park (*2023 Coleman/Ringwood Transportation Study*).

# CBTP Evaluation and Monitoring

**Southeast San Mateo County CBTP Annual Tracking Checklist**

**CBTP Adoption Date:**

Number of Pedestrian Projects:	14	<b>Tracking Start Date:</b>
Number of Bicycle and Micromobility Projects:	16	
Number of Transit and Paratransit Projects:	11	<b>Tracking End Date:</b>
Number of Safety Projects:	5	
<b>Total Number of Recommended Projects:</b>	<b>46</b>	<b>Jurisdiction:</b>

**Project Actions or Milestones**

Project Name (Projects may be repeated to accommodate multiple milestones)	Category (Check 1 for each row)			Milestone Description and Date
	Funding	Local Adoption/ Programming	Implementation	

**Total Projects Currently Tracked:**
