SAN MATEO COUNTY COMMISSION ON THE STATUS OF WOMEN

WOMEN'S HALL OF FAME & YOUNG WOMEN OF EXCELLENCE

The Hall of Fame was established in 1984 to publicly recognize the incredible work of women of all ages and walks of life from across the County - an honor roll that today exceeds 290 women and includes our Young Women of Excellence honorees.

For 2024, we invite nominations of women and girls who are on the frontlines, perhaps someone who is non-traditional whose achievements and contributions have made a lasting impact on our local communities. We are looking for nominees who contribute significantly in the field of economic equity, childcare, reproductive justice, women's leadership, or in other areas that need to be recognized. Don't miss this opportunity to shine a light on an inspiring woman in your life. Help us celebrate the many who have paved our way.
