Community Meeting #1

Held virtually via Zoom, please visit:

<https://us06web.zoom.us/j/82501007147>

Or Call - in: 1-669-444-9171

Meeting ID#: 825 0100 7147

The County of San Mateo Public Works Department is evaluating road standards in the Menlo Oaks area of unincorporated San Mateo County. It has been 25 years since the current road standards were adopted in 1998. We want to hear from you to determine whether the road standards should be updated.

You are invited to participate in this process. During the first community meeting, we will present information relative to the development of road standard options and provide an opportunity for the community to comment on the process and options.

We want your feedback!

County of San Mateo

Department of Public Works
555 County Center, 5th Floor
Redwood City, CA 94063

Please take a few minutes to share your input through our online survey.

Online survey will be available from November 8, 2023 to December 6, 2023 at:

<https://www.smcgov.org/publicworks/menlo-oaks-road-standards>
