Do you have **lived experience of homelessness** that you would like to use to **improve services**?

Are you able to meet **once a month** by Zoom with a group that **suggests improvements** in homelessness service policies in San Mateo County?

Did you know that the San Mateo County Homeless services system has formed a Lived Experience Advisory Group (**LEAG**), to give the opportunity **for those who have experienced homelessness** to provide input regarding the design and delivery of San Mateo County's homeless services?
