**Re: Higgins Canyon Rd Road Work/Closure**

The Department of Public Works (Department) would like to provide updates to property owners/residents on the two slip-out repair projects along Higgins Canyon Road.

**Slip-out repair near 2665 Higgins Canyon Road:**

- This project has been completed and this section of road is open to pedestrian, bicycle, and vehicular access.

**Slip-out repair near 2180 Higgins Canyon Road:**

- The Contractor will be resuming work at this location after work was suspended over the winter and should re-mobilize to the site on April 15, 2024.
- **Full closure of the road at this location will be in effect from April 15, 2024, until August 2024, pending no unexpected delays.**
- The Department explored the possibility of providing pedestrian, bicycle and vehicular access during construction through the work area but concluded it was not feasible.
- All pedestrian, bicycle and vehicular traffic will be required to utilize Purisima Creek Road as a detour during the road closure.
