

# **Mural Artist Opportunity Request for Proposals**

Mural at the Navigation Center of San Mateo County Redwood City, CA

Release Date: 4/24/24

## **About the Navigation Center:**

The Navigation Center provides safe temporary living spaces for individuals and couples experiencing homelessness along with intensive support services designed to help clients find and maintain stable housing.

Two- and three-story rows of prefabricated modular units serve as temporary homes for hundreds of county residents currently living without shelter. Unlike traditional shelters, the Navigation Center allows people to have private sleeping quarters, be able to stay with their partner, and bring their pets.

## Project:

With this Request for Proposals ("RFP"), the County of San Mateo County ("County") is seeking to commission a local experienced teaching artist and/or team of artists to design a mural in an outdoor common space that reflects themes and images related to a sense of home, diversity, equity, inclusion, belonging, and stability ("Project").

The accepted mural proposal will take into consideration feedback from Navigation Center staff and residents who will meet with the artist before execution of the project. The painting and installation of the mural will be done with resident participation.

# No Commitment by County

Neither submission of a proposal nor the County's receipt of proposal materials confers any right to the proposer nor any obligation on the County. This RFP does not commit the County to award a contract, nor will the County defray any costs incurred in preparing proposals or participating in any presentations or negotiations.

## **Contract Award**

## Notice of Intent to Award

Once a decision has been made to award a contract to one or more proposers, the County will post a Notice of Intent to Award, notifying the remaining proposers of their non-selection. The posting may be inclusion of the recommendation to award as an agenda item on the Board of Supervisors schedule.

# **Award Procedure**

Contract negotiations are neither an offer nor an implicit guarantee that a contract will be executed. Any agreement reached will be memorialized in a formal agreement with the County, which will include the County's standard contract provisions, as reflected in the standard contract template attached as Exhibit "A" and incorporated by this reference.

## Commencement of Performance

After all parties have signed the agreement, the County will notify the proposer and performance may proceed. Prior to County execution of the Agreement, no County employee may authorize work. Any work performed prior to that time may be uncompensated.

#### **Protests**

Protests that do not comply with the protest procedures outlined below will be rejected.

## Protest Eligibility, Format, and Address

- 1. Protests or objections may be filed regarding the procurement process, the content of the solicitation or any addenda, or contract award.
- 2. The County will only review protests submitted by an interested party, defined as an actual or prospective proposer whose direct economic interest could be affected by the County's conduct of the solicitation. Subcontractors do not qualify as interested parties.

## **Protest Deadlines**

Submit protests with any supplemental materials by 5 p.m. PST, as appropriate, on the deadlines set forth below. The date of filing is the date the County receives the protest, unless received after 5 p.m. PST, or on other than a business day, in which case the date of filing will be the next business day. Failure to file by the relevant deadline constitutes a waiver of any protest on those grounds. Supplemental materials filed after the relevant deadline may be rejected by the County.

- 1. If relating to the content of the solicitation or to an addendum, file within five (5) business days after the date the County releases the solicitation or addendum.
- 2. If relating to any notice of non-responsiveness or non-responsibility, file within five (5) business days after the County issues such notice.
- 3. If relating to intent to award, file within five (5) business days after the County issues notice of Intent to Award. No protests will be accepted once actual award has been made.

## **Protest Contents**

The letter of protest must include all the following elements:

- Detailed grounds for the protest, fully supported with technical data, test results, documentary evidence, names of witnesses, and other pertinent information related to the subject being protested; and
- 2. The law, rule, regulation, ordinance, provision or policy upon which the protest is based, with an explanation of the violation.
- 3. Protests that simply disagree with decisions of the Healthy Community Mural Project Committee Evaluation Committee will be rejected.

## Reply to Protest

The County will send a written response to the protestor and to any other party named in the protest.

## No Stay of Procurement Action during Protest

Nothing in these protest requirements will prevent the County from proceeding with negotiations or awarding a purchase order or contract while a protest is pending.

#### **Public Records**

All proposals, protests, and information submitted in response to this solicitation will become the property of the County and will be considered public records. As such, they may be subject to public review.

- 3. Agreement to indemnify and hold harmless the County for release of such information under the Public Records Act; and
- 4. Acknowledgement that the County will not assert any privileges that may exist on behalf of the person or entity submitting the materials.

5. The County is not seeking proprietary information and will not assert any privileges that may exist on behalf of the proposer. Proposers are responsible for asserting any applicable privileges or reasons why a document should not be produced in response to a public record request. If submitting information protected from disclosure as a trade secret or any other basis, identify each page of such material subject to protection as "CONFIDENTIAL". If requested material has been designated as confidential, the County will attempt to inform the proposer of the public records request in a timely manner to permit assertion of any applicable privileges. Failure to seek a court order protecting information from disclosure within 10 days of the County's notice of a request to the proposer will be deemed agreement to disclosure of the information and the proposer agrees to indemnify and hold the County harmless for release of such information.

Requests to treat an entire proposal as confidential will be rejected and deemed agreement to County disclosure of the entire proposal and the proposer agrees to indemnify and hold the County harmless for release of any information requested.

Trade secrets will only be considered confidential if claimed to be a trade secret when submitted to the County, marked as confidential, and compliant with Government Code Section 6254.7.
