

# San Mateo County Stand Down

**Get enrolled with PACT Act for VA healthcare and file for your benefits!**

If you were exposed to the occupational hazards identified below and served on Active Duty, Reserve, or National Guard and were activated, you may be eligible for free healthcare and financial benefits from the VA!

## Asbestos

Mineral fiber used in older buildings and ships; if inhaled deeply into the lungs can cause health problems.

## Industrial Solvents

Usually liquid, used to dissolve, degrease, clean, strip paint, etc.

## Lead

Metal that can be toxic for certain uses.

## Radiation

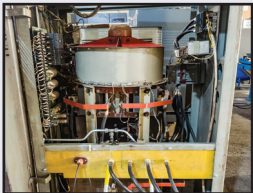

Dental technicians, nuclear weapons technicians, and others with routine and usually safe exposure.

## Fuels

*(Petroleum, Oils, Lubricants)*

Fuels such as diesel and JP-8 used to operate vehicles in the military.

## PCBs

Polychlorinated biphenyl is used as a coolant and insulating fluid.

## Vibration

Periodic back-and-forth movement that if severe, can cause health conditions.

## Noise

Harmful sounds from guns, equipment, and machinery that is often experienced during service.

## CARC Paint

Paint Chemical Agent Resistant Coating (CARC) is used on military vehicles to resist corrosion and chemical agents.

## PFAS

Perfluoroalkyl and polyfluoroalkyl substances (PFAS) are found in products, including fire-fighting foams.

**Get your boots on the ground and get squared away with the VA!**
