About the Youth Services Center:

The Youth Services Center (YSC), which includes a juvenile detention facility, opened in September 2006. While at the YSC, youth can participate in many programming options, ranging from trauma-informed social and emotional learning programs to job readiness and life skills workshops to yoga and creative arts classes. Some are provided by outside agencies, some by volunteers, and some are led by staff. Through participation in programming, youth learn valuable coping and life skills.

The County of San Mateo County (County) is seeking an experienced Bay Area-based (Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano, and Sonoma counties) teaching mural artist to guide youth residents aged 14-24 to paint a mural at the Youth Services Center in San Mateo. Youth residents will design the mural before the artist enters into this contract. The teaching mural artist will facilitate the transfer of the design(s) to the wall site and work with the residents to paint the mural. The teaching mural artist will support youth as they develop concepts and designs.

Two walls have been identified as possible sites with measurements of 17 ½ ft x 8 ½ ft and 17 ft x 10 ft. located in the Admissions Unit. One of the walls will be chosen for the final product. The wall surface is painted concrete.

Proposers are responsible for ensuring that they have received all addenda.

Contact with County Employees

Violation of the following prohibitions may result in a proposer being found non-responsible, barred from participating in this or future procurements, and becoming subject to other legal penalties.

1. As of the issuance date of this RFP and continuing until it is canceled or an award is made, no proposer or person acting on behalf of a prospective proposer may discuss any matter relating to the RFP with any officer, agent, or employee of the County, other than through Mara Grimes, of the San Mateo County Office of Arts & Culture, or as outlined in the evaluation or protest procedures.
2. Proposers may not agree to pay any consideration to any company or person to influence the award of a contract by the County, nor engage in behavior that may be reasonably construed by the public as having the effect or intent of influencing the award of a contract.

Pre-proposal conference and site visits

If a pre-proposal conference or site visit is scheduled, answers to questions raised prior to and at the events will be posted at <https://www.smcgov.org/ceo/public-art-projects-and-calls-artists>.

Proposer Certifications

By submitting a proposal, each proposer certifies under penalty of perjury that:

1. Their submission is not the result of collusion or any other activity that would tend to directly or indirectly influence the selection process; and
2. Proposer is able or will be able to comply with all requirements of this solicitation at the time of contract award; and
3. Neither proposer, its employees, nor any affiliated firm providing the requested goods and services has prepared plans, specifications, terms or requirements for this solicitation, or has any other actual or potential conflict of interest; and
4. Proposer is aware of the provisions of Government Code Sections 1090 *et seq.* and Section 87100 *et seq.* relating to conflict of interest of public officers and employees and is unaware of any financial or economic interest of any County officer or employee relating to this solicitation.

Withdrawal of Proposal

Proposals may be withdrawn, modified, or replaced at any time prior to the Deadline for RFP Applications. After that time, whether or not a new solicitation is issued for the same subject matter, withdrawal of a proposal may preclude the proposer from participating in the procurement as a proposer.

No Commitment by County

Neither submission of a proposal nor the County’s receipt of proposal materials confers any right to the proposer nor any obligation on the County. This RFP does not commit the County to award a contract, nor will the County defray any costs incurred in preparing proposals or participating in any presentations or negotiations.

Contract Award

Notice of Intent to Award

Once a decision has been made to award a contract to one or more proposers, the County will post a Notice of Intent to Award, notifying the remaining proposers of their non-selection. The posting may be inclusion of the recommendation to award as an agenda item on the Board of Supervisors schedule.

Award Procedure

Contract negotiations are neither an offer nor an implicit guarantee that a contract will be executed. Any agreement reached will be memorialized in a formal agreement with the County, which will include the County's standard contract provisions, as reflected in the standard contract template attached as Exhibit "A" and incorporated by this reference.

Commencement of Performance

After all parties have signed the agreement, the County will notify the proposer and performance may proceed. Prior to County execution of the Agreement, no County employee may authorize work. Any work performed prior to that time may be uncompensated.

Protests

Protests that do not comply with the protest procedures outlined below will be rejected.

Protest Eligibility, Format, and Address

1. Protests or objections may be filed regarding the procurement process, the content of the solicitation or any addenda, or contract award.
2. The County will only review protests submitted by an interested party, defined as an actual or prospective proposer whose direct economic interest could be affected by the County's conduct of the solicitation. Subcontractors do not qualify as interested parties.
3. Submit protests to Mara Grimes, of the San Mateo County Office of Arts & Culture, at mgrimes@smcgov.org.

Protest Deadlines

Submit protests with any supplemental materials by 6/13/24 at 5 p.m. PST, as appropriate, on the deadlines set forth below. The date of filing is the date the County receives the protest, unless received after 5 p.m. PST, or on other than a business day, in which case the date of filing will be the next business day. Failure to file by the relevant deadline constitutes a waiver of any protest on those grounds. Supplemental materials filed after the relevant deadline may be rejected by the County.

1. If relating to the content of the solicitation or to an addendum, file within five (5) business days after the date the County releases the solicitation or addendum.
2. If relating to any notice of non-responsiveness or non-responsibility, file within five (5) business days after the County issues such notice.
3. If relating to intent to award, file within five (5) business days after the County issues notice of Intent to Award. No protests will be accepted once actual award has been made.

Protest Contents

The letter of protest must include all the following elements:

1. Detailed grounds for the protest, fully supported with technical data, test results, documentary evidence, names of witnesses, and other pertinent information related to the subject being protested; and
2. The law, rule, regulation, ordinance, provision or policy upon which the protest is based, with an explanation of the violation.
3. Protests that simply disagree with decisions of the Healthy Community Mural Project Committee Evaluation Committee will be rejected.

Reply to Protest

The County will send a written response to the protestor and to any other party named in the protest.

No Stay of Procurement Action during Protest

Nothing in these protest requirements will prevent the County from proceeding with negotiations or awarding a purchase order or contract while a protest is pending.

Public Records

All proposals, protests, and information submitted in response to this solicitation will become the property of the County and will be considered public records. As such, they may be subject to public review.

Any contract arising from this RFP will be a public record. Further, submission of any materials in response to this RFP constitutes:

1. Consent to the County's release of such materials under the Public Records Act without notice to the person or entity submitting the materials; and
2. Waiver of all claims against the County and/or its officers, agents, or employees that the County has violated a proposer's right to privacy, disclosed trade secrets, or caused any damage by allowing the proposal or materials to be inspected; and
3. Agreement to indemnify and hold harmless the County for release of such information under the Public Records Act; and
4. Acknowledgement that the County will not assert any privileges that may exist on behalf of the person or entity submitting the materials.

5. The County is not seeking proprietary information and will not assert any privileges that may exist on behalf of the proposer. Proposers are responsible for asserting any applicable privileges or reasons why a document should not be produced in response to a public record request. If submitting information protected from disclosure as a trade secret or any other basis, identify each page of such material subject to protection as “CONFIDENTIAL”. If requested material has been designated as confidential, the County will attempt to inform the proposer of the public records request in a timely manner to permit assertion of any applicable privileges. Failure to seek a court order protecting information from disclosure within 10 days of the County’s notice of a request to the proposer will be deemed agreement to disclosure of the information and the proposer agrees to indemnify and hold the County harmless for release of such information.

Requests to treat an entire proposal as confidential will be rejected and deemed agreement to County disclosure of the entire proposal and the proposer agrees to indemnify and hold the County harmless for release of any information requested.

Trade secrets will only be considered confidential if claimed to be a trade secret when submitted to the County, marked as confidential, and compliant with Government Code Section 6254.7.
