Dear Domestic Violence Council Members:

I wanted to inform you that on 6/25, upon the recommendation of the County Executive's Office, the Board of Supervisors chose not to continue funding the county's Human Trafficking Program through Measure K. My contract with the county expired on 6/30. Sheriff's Office Captain Brian Philip has advised me that the Human Trafficking Program is "temporarily suspended," and I am not authorized to perform any work out of contract, so there is currently no coordinated effort addressing this issue in our county.

During the Board of Supervisors' meeting on 6/25, specifically, Supervisor Noelia Corzo expressed concern that there was no funding for human trafficking which she views as critical. (See BOS 6/25/24 meeting video, approx. 1:59:06 to 1:59:35). In response, County Executive Callagy stated that the Human Trafficking (HT) Program doesn't have the numbers to justify continued funding given more pressing priorities. Although important, it didn't rise above these other categories. Based upon the numbers that were seen, and the activity in this county, there were other higher priorities within this NOFO that needed funding. (See BOS 6/25/24 meeting video, approx. 2:00:25 to 2:00:38). Further, County Executive Callagy remarked that the Human Trafficking Program could be/should be funded through the Sheriff's Office budget. (See BOS 6/25/24 meeting video, approx. 1:59:57 to 2:00:24).

I've been informed that the Sheriff is in discussions with the Supervisors regarding future funding for anti-trafficking efforts; however, I'm not privy to the current status of those discussions.

Thank you,

Attention San Mateo Domestic Violence Council,

We are in a Spiritual Battle here in San Mateo County where Good vs Evil. 10,000 Domestic Violence cases each year are evidence of this.

We the People of California are bringing to this Council's attention that the family court judges are waging war against the Constitution of the United States for America, violating the unalienable rights of parents that are guaranteed by the 1st, 2nd, 4th, 5th, 6th, 11th and 14th Amendments.

Women in San Mateo County who have been strangled are being ordered to hand their children over to the men who tried to kill them in complete opposition to the recommendations of the Institute on Strangulation Prevention.

Judge Don R. Franchi ordered my daughter into the sole care of her abuser after we reported domestic abuse to multiple agencies. Franchi has NEVER written findings of facts and conclusions of law to support any of his nefarious decisions in my case.

I have witnessed Judge Renee Reyna order a strangulation victim to "co parent" with her attempted murderer and hand over her children, one of whom he has already tried to kill, to the perpetrator. I have not seen any written findings of facts or conclusions of law that support Judge Reyna endangering this mother and her children. Judge Reyna also put an unconstitutional gag order on me in one of my hearings.

We the People request investigations and impeachments of family court judges Renee Reyna, Don R Franchi and Rachel Holt. Audits of these judges and random and non random civilian audits of their cases must be implemented immediately.

We the People require cameras in the Courtroom and zoom court watching available to all the People as the COVID 19 lockdowns set a precedent that this is available. The Federal Judges already have cameras in the courtroom and available zoom links. What are San Mateo Family Court judges hiding? Unconstitutional Kangaroo courts?

This is an opportunity for the San Mateo County Domestic Violence Council to put an end to courtroom abuses, litigation abuse, financial abuse and post separation abuse of DV survivors by the family courts.

All Law Enforcement needs to be trained in Constitutional Law and VOID orders supported by the 40 cases surrounding Marbury vs Madison. Judge Franchi's orders are all VOID in my case and I need protection to get my daughter back. I need to know that the DV Council will insist that San Mateo Sheriff Dept stand down and not enforce any of the VOID orders.

Rhonda Reyna-DV Impacted Mother

Attention San Mateo County Domestic Violence Council,

I wish to bring to your attention, very concerning and nefarious activity regarding the Casa de la Familia Domestic Violence Counselor Training program that was recommended to me by Maria Luis Diaz of CORA at the DV Awareness meeting I attended.

I completed the 40hour training but was horrified to realize that it involves a lot of cult programming, similar to what the nefarious and now debunked reunification therapists are using.

Ana Nogales' program is wrought with blatantly obvious misinformation but the worst of it occurred halfway through when her son-in-law, Brian Goldberg (who is also on the Board of Directors for Casa de la Familia), gives his woman hating presentation. It was horrible and traumatized me.

Because I have reviewed the FBI's pedophile logo documents, Brian Goldberg's business logo for Mankind Project, immediately stood out to me as containing a pedophile symbol. A background check pulled up the following links.

<https://culteducation.com/group/1040-mankind-project/13102-what-do-you-say-to-a-naked-lawyer-heres-a-suit.html>

San Mateo County has a disproportionately high number of middle to upper income DV victims who are not receiving services. Casa de la Familia is training Counselors to provide these California tax payer funded services to illegal immigrants and grant their entire families fast tracked citizenship by misusing the Violence Against Women Act funding via this 40 hour program.

I was charged \$200 for this fake training and I want my money back. Ana Nogales does not

answer emails, and a review of her IRS Form 990s and letters from the State display that she is financially irresponsible. See attached.

Thus, any Domestic Violence Counselors who have received this "training" are actually misinformed and NOT properly trained. This issue must be rectified immediately. Survivors like myself and the other parents showing up are the best resources for survivor led training.

Rhonda Reyna

**FEDERAL BUREAU OF INVESTIGATION  
INTELLIGENCE BULLETIN**  
Cyber Division, Innocent Images National Initiative

31 January 2007

**(U) Symbols and Logos Used by Pedophiles to Identify Sexual Preferences**

(U//FOUO) This intelligence bulletin addresses Crimes Against Children Standing Intelligence Requirements Set contained in Q-FBI-2200-005-06, HRWC CAC-VIA.5.

(U//LES) Pedophiles, to include those who sexually abuse children as well as those who produce, distribute, and trade child pornography, are using various types of identification logos or symbols to recognize one another and distinguish their sexual preferences. To specifically indicate the pedophile's gender preference, members of pedophilic organizations encourage the use of descriptions such as "boylove", "girllove", and "childlove."<sup>1</sup> These symbols have been etched into rings and formed into pendants, and have also been found imprinted on coins.

(U) The BoyLove logo (BLogo) is a small blue spiral-shaped triangle surrounded by a larger triangle, whereby the small triangle represents a small boy and the larger triangle represents an adult man.<sup>2</sup> A variation of the BLogo is the Little Boy Lover logo (LBLogo), which also embodies a small spiral-shaped triangle within a larger triangle; however, the corners of the LBLogo are rounded to resemble a scribbling by a young child.<sup>3</sup> Images of the BLogo and LBLogo symbols are depicted below.

(U) The GirlLover logo (GLogo) depicted below is a small heart surrounded by a larger heart, which symbolizes a relationship between an adult male or female and minor girl.

UNCLASSIFIED

**(U) GLogo Pendant**

(U) The ChildLover logo (CLogo), as shown below, resembles a butterfly and represents non-preferential gender child abusers. The Childlove Online Media Activism Logo (CLOMAL), also represented below, is a general purpose logo used by individuals who use online media such as blogs and webcasts.<sup>4</sup>

(U//LES) FBI investigations in several cities have uncovered several symbols used by pedophiles to proclaim their attraction to children. After a seizure of a subject's computer in connection with an Innocent Images case in the Jacksonville Division, a Computer Analysis Response Team forensic examiner came across an unfamiliar symbol that was integrated into a Web site banner named "ATBOYS.COM, where the "A" in "ATBOYS" was actually the BoyLove symbol and written as follows:  ATBOYS.com. It was further determined that "ATBOYS" is an acronym for Attracted To Boys.<sup>5</sup> These pedophilia symbols also appear on Web sites such as one of the banners advertised on [www.boylover.net](http://www.boylover.net), shown below.<sup>6</sup>

(U//LES) In another incident, FBI Sacramento was alerted by the California Department of Justice about an unusual marking on a coin. Research of the marking concluded that the BoyLover logo (BLogo) was imprinted on the front of the coin, and the phrase “Kids Love Pedos” was engraved on the back of the coin.<sup>7</sup> (*Coins depicting the BLogo are pictured on page one.*) The appearance of the BLogo on coins is another method used by pedophiles to announce their sexual preferences.

(U) Pedophilia symbols on jewelry, coins, Web sites and other effects are indicative of advertisement methods used by child sexual predators to promote their cause. Pedophile activists advocate for the social acceptance of sexual relationships between adults and children. These organizations seek to decriminalize sexual relationships between adults and children and to legalize child pornography based on their belief that children have the ability to consent to sexual acts.

(U//LES) Identical or similar jewelry and symbols as described in this intelligence bulletin should raise suspicion of possible pedophilia activity when found during searches. Investigators should also be attentive to pedophilia symbols advertised on Web sites. During examinations of computer files, investigators should be conscious of subjects who try to conceal child pornography by labeling them with symbols instead of the typical suggestive explicit names.

Attention Domestic Violence Council,

I've looked over the meeting minutes for the April 11, 2024 DVC meeting. They do not properly reflect what was stated in public comment and this needs to be rectified before the meeting minutes may be approved.

I received a copy of the video of the meeting from Caiti Busch upon a Public Records Request, therefore, this is evidence that the public comments can be obtained from the original video and included in the meeting minutes.

In Contrast, I've read the meeting minutes for the Legal Process Committee meeting on January 11 when I attended , which does appropriately reflect my public comment and public comment by Martin Fox.

Rhonda Reyna
