In re: Letter of May 14, 2024, by Andrea M. Hall

Dear Director Bartoli:

The Broadmoor Police Protection District ("District") is, unfortunately, once again called upon to address numerous inaccurate statements offered by Andrea M. Hall in her letter to LAFCo of May 14, 2024, which has been posted on the LAFCo website. This letter will address a few of the issues raised by Andrea M. Hall in that letter, which we recently discovered.

In her letter Andrea M. Hall asserts that the District is "[u]nderestimating its liability [to Social Security] in the amount of \$54,201.68". She is incorrect. The District is exempt from paying into Social Security for all employees enrolled as active members of CalPERS. The District therefore *does not* pay anything into Social Security on behalf of all District employees enrolled as active members of CalPERS.

The remaining issues raised in her letter, while also inaccurate, merit no response.

I sincerely hope this once again clarifies the District's position with respect to Andrea Hall's misunderstanding of the facts and the law.

Director Rob Bartoli (. . . cont'd.)

The District certainly appreciates Andrea Hall's interest as a member of the Broadmoor community and wishes she would channel her efforts in a constructive way that would benefit the community and the District.

Sincerely,

BROADMOOR POLICE PROTECTION
DISTRICT
