To Whom To May Concern,

Hello. My name is Angelica Baez Aranda. I am the owner on 4th Avenue in Redwood City, California. I am concerned about my safety on Middlefield. I feel there should be a 4-stop way on 2nd and Middlefield. I have seen how cars almost collide there. I am also concerned on how unsafe it is to walk my dog by the entering driveway of the Sports House as I and my dog have almost got hit twice while walking. Moreover, we need more Sheriff's patrolling the area by where people enter Sports House, many times cars exit where they should only enter.

Thanks for this time,

Angelica Baez-Aranda

Hello, my name is Martha Agustin, I am a community promoter and I have worked for the last few years in the North Fair Oaks community. I have spoken with the community and their concern is that there are not enough trees in the area, and they feel that is why the heat affects them more, I hope you take this into consideration so that more trees can be planted in the area.

Thank you,

Martha Agustin
