Dear Ms. Leung, My name is (name). I'm a resident of (community name e.g. San Mateo Highlands) at address (address). Regarding San Mateo County's notification letter dated May 3 with subject "Consideration of a proposed Minor Modification to an approved Resource Management (RM) Permit (PLN2006-00357) for the development of Lots 5, 6, 7, and 8 (BLD2016-00161 through BLD2016-00164) in the San Mateo Highlands Area", because of the significant impact this construction project will have to the hillside open space along Ticonderoga Drive, which includes a possible increased risk of a landslide in the area, and the significant changes to the originally proposed earth grading activity, I request that the County prepare a supplemental environmental impact report document, and hold a public community hearing about the construction project.

Thank you,
Nancy A Hawrs
