From: Martha Poyatos, Executive Officer
Subject: Legislative Report

Summary

The Commission's Legislative and Policy Committee met on February 24 and reviewed 25 bills that CALAFCO was tracking at the time. CALAFCO is now tracking 30 bills. Of these 30 bills, 13 are holdovers from the 2019-20 legislative session and are not moving forward in the current legislative year.

Bills of interest include the following:

SB 1052 (Hertzberg) - Water quality: municipal wastewater agencies.

This bill would establish municipal wastewater agencies and would authorize a municipal wastewater agency, among other things, to enter into agreements with entities responsible for stormwater management for the purpose of managing stormwater and dry weather runoff. It would also allow an agency to acquire, construct, expand, operate, maintain, and provide facilities for specified purposes relating to managing stormwater and dry weather runoff, and to levy taxes, fees and charges consistent with the municipal wastewater agency's existing authority in order to fund projects. The bill would require the exercise of any new authority granted under the bill to comply with the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000. CALAFCO currently supports this bill.

SB 1280 (Monning) Drinking water: consolidation and extension of service: at-risk water systems.

This bill would authorize the State Water Resources Control Board to order consolidation between a receiving water system and an at-risk water system, as defined, upon receipt of a petition that substantially conforms to the specified-referenced policy adopted by the state board and that is either approved by the water system's governing body or signed by at least 30% of the households served by the water system. For purposes of that provision, the bill would authorize the state board to contract with a technical assistance provider or appoint an

Summary:

Current law authorizes the legislative body of a local agency, defined as a county, city, or city and county, or a district, defined broadly to include other political subdivisions or public corporations in the state other than the state or a county, city and county, or city, to attend the Legislature and the Congress of the United States, and any committees thereof, and to present information regarding legislation that the legislative body or the district deems to be beneficial or detrimental to the local agency or the district. Current law also authorizes the legislative body of a local agency or a district to enter into an association for these purposes and specifies that the cost and expense incident to the legislative body's or district's membership in the association and the activities of the association are proper charges against the local agencies or districts comprising the association. This bill, with respect to moneys paid to or otherwise received by an association from a local agency or district member of the association, would prohibit an association of local agencies or districts from expending those moneys for any purpose other than the above-described activities and educational activities.

Position: Oppose

CALAFCO Comments: As gut and amended, this bill will have significant impact to CALAFCO in the uses of member LAFCo and certain Associate Member dues being limited to only direct educational activities or lobbying efforts (this means all administrative efforts not related to these two things including all travel not related to education or lobbying or public education campaign regarding LAFCo will have to cease).

CALAFCO joined a coalition of stakeholders to oppose the bill ahead of the January 15 hearing date in ALGC which was cancelled by the author.

Summary:

This bill would require the Strategic Growth Council, until July 31, 2025, to establish and administer a local agency formation commissions grant program for the payment of costs associated with initiating and completing the dissolution of districts listed as inactive, the payment of costs associated with a study of the services provided within a county by a public agency to a disadvantaged community, as defined, and for other specified purposes, including the initiation of an action, as defined, that is limited to service providers serving a disadvantaged community and is based on determinations found in the study, as approved by the commission. The bill would specify application submission, reimbursement, and reporting requirements for a local agency formation commission to receive grants pursuant to the bill. The bill would require the council, after consulting with the California Association of Local Agency Formation Commissions, to develop and adopt guidelines, timelines, and application and reporting criteria for development and implementation of the program, as specified, and would exempt these guidelines, timelines, and criteria from the rulemaking provisions of the Administrative Procedure Act. The bill would make the grant program subject to an appropriation for the program in the annual Budget Act, and would repeal these provisions on January 1, 2026. This bill contains other existing laws.

CALAFCO Comments: This is a CALAFCO sponsored bill following up on the recommendation of the Little Hoover Commission report of 2017 for the Legislature to provide LAFCos one-time grant funding for in-depth studies of potential reorganization of local service providers. Last year, the Governor vetoed AB 2258 - this is the same bill. The Strategic Growth Council (SGC) will administer the grant program. Grant funds will be used specifically for conducting special studies to identify and support opportunities to create greater efficiencies in the provision of municipal services; to potentially initiate actions based on those studies that remove or reduce local costs thus incentivizing local agencies to work with the LAFCo in developing and implementing reorganization plans; and the dissolution of inactive districts (pursuant to SB 448, Wiecekowski, 2017). The grant program would sunset on July 31, 2024.

The bill also changes the protest threshold for LAFCo initiated actions, solely for the purposes of actions funded pursuant to this new section. It allows LAFCo to order the dissolution of a district (outside of the ones identified by the SCO) pursuant to Section 11221 of the Elections code, which is a tiered approach based on registered voters in the affected territory (from 30% down to 10% depending).

The focus is on service providers serving disadvantaged communities. The bill also requires LAFCo pay back grant funds in their entirety if the study is not completed within two years and requires the SGC to give preference to LAFCOs whose decisions have been aligned with the goals of sustainable communities strategies.

We were unsuccessful in getting the \$1.5 M into the budget so the author has decided to make this a 2-year bill and try again in the next budget in a budget trailer bill.

CALAFCO Comments: This bill allows LAFCo, when approving a proposal for new or different functions or class of service for a special district, to propose the district provide payments to any affected local agency for taxes, fees or any other revenue that may have been lost as a result of the new service being provided.

Summary:

The California Safe Drinking Water Act provides for the operation of public water systems and

imposes on the State Water Resources Control Board related responsibilities and duties. Current law authorizes the state board to order consolidation of public water systems where a public water system or state small water system serving a disadvantaged community consistently fails to provide an adequate supply of safe drinking water, as provided. This bill, the Consolidation for Safe Drinking Water Act of 2019, would authorize a water or sewer system corporation to file an application and obtain approval from the commission through an order authorizing the water or sewer system corporation to consolidate with a public water system or state small water system that has fewer than 3,300 service connections and serves a disadvantaged community, or to implement rates for the subsumed water system.

Position: Watch

Subject: Water

CALAFCO Comments: This bill would authorize a water or sewer system corporation to file an application and obtain approval from the PUC through an order authorizing the water or sewer system corporation to consolidate with a public water system or state small water system that has fewer than 3,300 service connections and serves a disadvantaged community, or to implement rates for the subsumed water system. The bill would require the commission to approve or deny the app. Unless the commission designates a different procedure because it determines a consolidation warrants a more comprehensive review, the bill would authorize a water or sewer system corporation to instead file an advice letter and obtain approval from the commission through a resolution authorizing the water or sewer system corporation to consolidate with a public water system or state small water system that has fewer than 3,300 service connections and serves a disadvantaged community, or to implement rates for the subsumed water system.

Subject: Public Records Act

CALAFCO Comments: This bill requires all public agencies to retain and preserve for at least two years all email records as public records.

SB 272 (Morrell R) Fire Protection District Law of 1987.

Dead	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary:

The Fire Protection District Law of 1987 provides that whenever a district board determines that it is in the public interest to provide different services, to provide different levels of service, or to raise additional revenues within specific areas of the district, it may form one or more service zones by adopting a resolution that includes specified information, fixing the date, time, and place for public hearing on the formation of the zone, publishing notice, as specified, hearing and considering any protests to the formation of the zone at the hearing, and, at the conclusion of the hearing, adopting a resolution ordering the formation of the zone. If a resolution adopted after the public hearing would substantially expand the provision of services outside of an existing service zone and the extension of service would result in those persons in the expanded area paying charges for the expansion of services, this bill would provide that the resolution does not become effective unless approved by a majority of the voters within the expanded service area.

Position: Watch

CALAFCO Comments: As amended, the bill amends the Health & Safety code regarding the formation of zones within a fire protection district by requiring the district hold an election, regardless of the protest level, if the district wants to substantially expand (as defined in the bill) services outside the zone. This is unrelated to 56133. CALAFCO will retain a Watch position.

Desk	Policy	Fiscal	Floor	Desk	Policy	2 year	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary:

Would create the Small System Water Authority Act of 2019 and state legislative findings and declarations relating to authorizing the creation of small system water authorities that will have powers to absorb, improve, and competently operate noncompliant public water systems. The bill, no later than March 1, 2020, would require the state board to provide written notice to cure to all public agencies, private water companies, or mutual water companies that operate a public water system that has either less than 3,000 service connections or that serves less than 10,000 people, and are not in compliance, for the period from July 1, 2018, through December 31, 2019, with one or more state or federal primary drinking water standard maximum contaminant levels, as specified.

Position: Support

Subject: Water

CALAFCO Comments: This bill is very similar to AB 2050 (Caballero) from 2018. Several changes have been made. This bill is sponsored by Eastern Municipal Water District and the CA Municipal Utilities Assoc. The intent is to give the State Water Resources Control Board (SWRCB) authority to mandate the dissolution of existing drinking water systems (public, mutual and private) and authorize the formation of a new public water authority. The focus is on non contiguous systems. The SWRCB already has the authority to mandate consolidation of these systems, this will add the authority to mandate dissolution and formation of a new public agency.

LAFCo will be responsible for dissolving any state mandated public agency dissolution, and the formation of the new water authority. The SWRCB's appointed Administrator will act as the applicant on behalf of the state. LAFCo will have ability to approve with modifications the application, and the new agency will have to report to the LAFCo annually for the first 3 years.

Summary:

Would establish municipal wastewater agencies and would authorize a municipal wastewater agency, among other things, to enter into agreements with entities responsible for stormwater management for the purpose of managing stormwater and dry weather runoff, to acquire, construct, expand, operate, maintain, and provide facilities for specified purposes relating to managing stormwater and dry weather runoff, and to levy taxes, fees, and charges consistent with the municipal wastewater agency’s existing authority in order to fund projects undertaken pursuant to the bill. The bill would require the exercise of any new authority granted under the bill to comply with the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000.

Position: Support

Subject: Municipal Services, Special District Principle Acts

CALAFCO Comments: This bill adds authority to municipal wastewater agencies as outlined in 13911(a) and (b) relating to stormwater runoff and management. The bill authorizes this additional authority while keeping the LAFCo process to activate these latent powers intact.

Summary:

Would authorize the State Water Resources Control Board to order consolidation between a receiving water system and an at-risk water system, as defined, upon receipt of a petition that substantially conforms to the specified-referenced policy adopted by the state board and that is either approved by the water system’s governing body or signed by at least 30% of the households

served by the water system. For purposes of that provision, the bill would authorize the state board to contract with a technical assistance provider or appoint an administrator to provide information to a community regarding the petition process, to assist with the preparation of a petition, or to evaluate whether a water system is an at-risk water system.

Position: Oppose

Subject: Water

CALAFCO Comments: This bill pertains to the petition to the SWRCB for water system consolidation. It (1) seeks to give the SWRCB authority to mandate consolidation if the petition "substantially conforms" to state policy requirements, and (2) allows for that consolidation order if the petition is approved by the water system's governing body OR signed by at least 30% of households being served by the water system.

Adding "households" is a substantive change.

Summary:

Current property tax law, for the 2006–07 fiscal year, and for each fiscal year thereafter, requires the vehicle license fee adjustment amount to be the sum of the vehicle license fee adjustment amount for the prior fiscal year, if specified provisions did not apply, and the product of the amount as so described and the percentage change from the prior fiscal year in the gross taxable valuation within the jurisdiction of the entity. Current law establishes a separate vehicle license fee adjustment amount for a city that was incorporated after January 1, 2004, and on or before January 1, 2012. This bill would establish a separate vehicle license fee adjustment amount for a city incorporating after January 1, 2012, including an additional separate vehicle license fee adjustment amount for the first fiscal year of incorporation and for the next 4 fiscal years thereafter.

Summary:

Current law establishes the Integrated Climate Adaptation and Resiliency Program, administered by the Office of Planning and Research, to coordinate regional and local efforts with state climate adaptation strategies to adapt to the impacts of climate change, as specified. This bill would require the Strategic Growth Council, by July 1, 2021, to establish guidelines for the formation of regional climate adaptation planning groups. The bill would require the council, by July 1, 2022, to develop criteria for the development of regional climate adaptation plans.

Position: Watch

Subject: Climate Change

CALAFCO Comments: This bill states the Legislature's intent to create legislation that would foster regional-scale climate adaptation strategies, and require the creation of regional plans relating to sea level rise and fire vulnerability. CALAFCO will watch this bill.

Summary:

Would, notwithstanding the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, authorize the Ventura Port District, to the extent permitted by federal law, to construct, maintain, operate, lease, and grant permits to others for the installation, maintenance, and operation of aquaculture plots in federal waters off the coast of California in order to aid in the development or improvement of navigation or commerce to the port district.

Position: Watch

Subject: Special District Powers

CALAFCO Comments: This is a local bill authorizing Ventura Port District to extend operations into federal waters. CALAFCO will work with Ventura LAFCo.

Summary:

Would require the State Energy Resources Conservation and Development Commission (Energy Commission), the Imperial County Local Agency Formation Commission, and the Riverside County Local Agency Formation Commission to meet to determine the sphere of influence of the Imperial Irrigation District and options for electrical service to the Coachella Valley at the end of a certain lease of electrical rights and would, on or before June 30, 2021, require the Imperial Irrigation District to submit any requested documents and information to the Energy Commission for these purposes. The bill would, on or before June 30, 2022, require the Energy Commission to submit a report to the Legislature on the determination and options, as specified.

Position: Watch

Subject: Service Reviews/Spheres

CALAFCO Comments: This is a local bill relating to the Imperial Irrigation District. As written the bill requires the State Energy Resources Conservation & Development Commission, Riverside and Imperial LAFCos to meet for the purpose of determining the SOI of the district and for options for electrical service to the Coachella Valley. CALAFCO will watch the bill for any amendments and potential negative impacts.

AB 3281 (Brough R) Worker status: independent contractors: business-to-business contracting relationship.

Summary:

Current law exempts specified occupations and business relationships from the application of the "ABC" test, including a business-to-business contracting relationship, that meets specified requirements, including that a business is a "contracting business" if it demonstrates that it meets specified criteria. Current law, instead, provides that these exempt relationships are governed by the multifactor test previously established in the case of S. G. Borello & Sons, Inc. v. Department of Industrial Relations (1989) 48 Cal.3d 341. This bill would also include as a "contracting business" for purposes of a business-to-business contracting relationship, or business that subject to specified tax provisions relating to sale proprietorships on limited partnerships.

Position: Watch

CALAFCO Comments: This bill proposes amendments to AB 5 in terms of the exemption tests which may impact the contractual/employee relationship of CALAFCO and its two primary contractors.

Summary:

Would authorize the annexation of territory comprising the main campus of the University of California, Merced, as specified, and any road strip, as defined, to the City of Merced, notwithstanding the requirement that the territory be contiguous with the city, if other conditions are met, including that the territory is within the city's sphere of influence. The bill would prohibit the local agency formation commission from approving subsequent annexations to the territory specified in the bill unless the annexation is contiguous with that territory.

Position: Watch

Subject: Annexation Proceedings

CALAFCO Comments: This is a local bill for Merced. It allows a defined section of the UC Merced campus and access road to be annexed if certain conditions are met and keeps the LAFCo process intact. CALAFCO will watch the bill to ensure the LAFCo process remains protected and work with Merced LAFCo.

Summary:

The Community Services District Law authorizes the establishment of community services districts to provide various public facilities and services. That law establishes procedures for forming zones within specific areas of a community services district to provide different services, different levels of service, different facilities, or additional revenue. The law, among other things, requires a public hearing on the formation of a zone, at which the board of directors is required to hear protests of the formation of the zone, as specified. This bill would make nonsubstantive changes to this public hearing provision.

Summary:

Current law, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, makes certain findings and declarations relating to local government organizations, including, among other things, the encouragement of orderly growth and development, and the logical formation and modification of the boundaries of local agencies, as specified. This bill would make nonsubstantive changes to these findings and declarations.

3/18/2020 9:30 a.m. - Room 112 SENATE GOVERNANCE AND FINANCE, MCGUIRE, Chair

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 establishes a pilot program under which the commissions in the Counties of Napa and San Bernardino, upon making specified determinations at a noticed public hearing, may authorize a city or district to provide new or extended services outside its jurisdictional boundary and outside its sphere of influence to support existing or planned uses involving public or private properties, as provided. Current law repeals this pilot program as of January 1, 2021. This bill would delete the January 1, 2021, repeal date with regard to the pilot program, thereby continuing its operation indefinitely.

Position: Oppose unless amended

Subject: CKH General Procedures

CALAFCO Comments: Originally created as a pilot program for San Bernardino and Napa LAFCOs in 56133.5, the program is set to sunset January 1, 2021. This bill seeks to eliminate that sunset.

San Bernardino LAFCo has requested amendments to keep as a pilot for these two counties and reinstate another 5-year sunset.

CALAFCO has an Oppose Unless Amended position to reinstate the 5-year sunset to end 1/1/26. It is CALAFCO's understanding the Senator will be making this amendment in the SGFC hearing on 3/18/20.

Summary:

The Ralph M. Brown Act requires meetings of the legislative body of a local agency to be open and public and also requires regular and special meetings of the legislative body to be held within the boundaries of the territory over which the local agency exercises jurisdiction, with specified exceptions. Current law authorizes a person to request that a copy of an agenda, or a copy of all the documents constituting the agenda packet, of any meeting of a legislative body be mailed to that person. This bill would require a legislative body to email a copy of the agenda or a copy of all the documents constituting the agenda packet if so requested. By requiring local agencies to comply with these provisions, this bill would impose a state-mandated local program.

Position: Watch

CALAFCO Comments: This bill updates the Government Code to require a public agency to email the agenda or agenda items to anyone who requests it (current law requires the mailing of such documents upon request, this bill adds the option to email if requested).

SB 1096 (Caballero D) Water and sewer system corporations: consolidation of service.

Summary:

Te California Safe Drinking Water Act provides for the operation of public water systems and imposes on the State Water Resources Control Board related regulatory responsibilities and duties. Current law authorizes the state board to order consolidation of public water systems where a public water system or state small water system serving a disadvantaged community consistently fails to provide an adequate supply of safe drinking water, as provided. This bill, the Consolidation for Safe Drinking Water Act of 2020, would authorize a water or sewer system corporation to file an application and obtain approval from the commission through an order authorizing the water or sewer system corporation to consolidate with a public water system or state small water system.

Position: Watch

Subject: Water

CALAFCO Comments: This bill seeks to put timelines on the State Water Resources Control Board (SWRCB) to respond to applications for consolidations. CALAFCO will continue to watch this bill. There is no apparent impact to LAFCo based on the current version of the bill.

Summary:

Would require the El Dorado County elections official, with the assistance of the Fallen Leaf Lake Community Services District, to conduct district elections pursuant to the Uniform District Election Law, except as otherwise provided in the bill. The bill, notwithstanding current law, would provide that voters who are resident registered voters of the district, and voters who are not residents but either own a real property interest in the district or have been designated by the owner of a real

property interest to cast the vote for that property, may vote in a district election in the Fallen Leaf Lake Community Services District, as specified.

Position: Watch

CALAFCO Comments: This is a local El Dorado County/district bill. This bill does several things. (1) Provides that voters who are resident registered voters of the district, and voters who are not residents but either own a real property interest in the district or have been designated by the owner of a real property interest to cast the vote for that property, may vote in a district election in the Fallen Leaf Lake Community Services. (2) The bill also would authorize a voter who is not a resident of the district but owns a real property interest in the district to designate only one voter to vote on their behalf, regardless of the number of parcels in the district owned by the nonresident voter. (3) This bill would prohibit the Fallen Leaf Lake Community Services District from providing any services or facilities except fire protection and medical services, including emergency response and services, as well as parks and recreation services and facilities.
