---

Dear Rob,

The written request for a continuance of the matter is below from Ms. Joi White and her co-owner. Their property is adjacent to the applicant's parcel and so they will be directly affected by this development. Ms. White is traveling for work and is out of the country this week. Additionally, her land use counsel is also traveling this week.

Thank you for your assistance.

Thanks!

We would like to have more time to review, since we are out of the country and just became aware of the hearing. If it is possible to request a short continuance (i.e. To the next meeting) that would give us an opportunity to review and consult with counsel.

Julia,

Yes this item is on the agenda for the Zoning Hearing Officer (ZHO) tomorrow. I have attached a copy of the agenda and staff report to this email. If your clients have comments on the project, then can be emailed in and I will send them onto the secretary for

the ZHO. You could also attend the meeting on their behalf. You can also make the request that the item be continued to ZHO.

Do you know if your client has any comments or concerns on the project?

Thank you,

Rob Bartoli

Dear Rob –

I just left you a vmail about this. Is there a hearing for Applicant William Wang for 900 Block of Columbus Street in unincorporated El Granada tomorrow? If so, would you be able to tell me the time and place and send me an agenda?

Is it possible to request a change of time for the meeting? My clients are owners adjacent to the proposed subdivision and are traveling internationally this week.

Thank you,  
Julia
