Project Title: The Off-leash Dog Recreation Pilot Program at Pillar Point Bluff and Quarry Park

Project Applicant: San Mateo County Parks

Project Location (include county): San Mateo County, Moss Beach (Pillar Point Bluff), CA 94038 and Half Moon Bay (Quarry Park), CA 94019

**Project Description:**

The San Mateo County Parks Department proposes to conduct the Pilot Program at both Pillar Point Bluff and Quarry Park for 12 months (1) to determine if the amendments to the County Ordinance Code (Chapter 3.68 - ordinance governing off-leash dogs in San Mateo County Park) are being adhered to and (2) to make management adjustments as needed to avoid or minimize potential impacts to the environment. To evaluate the impacts of the Pilot Program, an Adaptive Management Plan (AMP) has been prepared. Key components of the AMP are the impact indicators/metrics and measurable standards that Parks staff will monitor on a recurring basis throughout the Pilot Program. The AMP will allow Parks to manage the Pilot Program in a transparent and effective manner. A Draft Initial Study/Mitigation Negative Declaration (IS/MND) was prepared for the project. Responses to comments on the Draft IS/MND and an errata to the IS/MND are included in the Final IS/MND. The errata to the Draft IS/MND Project Description include clarifications to monitoring indicators and standards.

This is to advise that the San Mateo County Parks has approved the above
